

Preliminary Amendment
Attorney Docket No. Q76952

REMARKS

In this Preliminary Amendment, multiple dependent claim 5 has been amended to be single dependent, and new dependent claim 40 has been added to retain the same scope of coverage. In addition, multiple dependent claim 35 has been amended to be single dependent.

Upon entry of the amendments, which is respectfully requested, there will be no multiple dependent claims; thus, no multiple dependent claim fee is necessary.

Further, Applicants submit herewith a Replacement Sheet for Fig. 2 of the drawings. In this regard, the Examiner will note from a review of the Brief Description of the Drawings that Fig. 2 should be a prior art baffle according to Wilson Figure 3.21. Wilson is being submitted herewith in an IDS. However, the third sheet of drawings received by counsel from Applicants was a copy of the first sheet of drawings, i.e., Fig. 1A of the present application. To correct this self-evident and inadvertent error, Applicants submit herewith a Replacement Sheet for Fig. 2 which is a copy of Wilson Fig. 3.21 labeled as "PRIOR ART." Approval of the Replacement Sheet is respectfully requested
